

# Analyze — LOOP.FORGE Growth Consulting.

Traditional marketing channel are increasingly expensive and saturated. Stop guessing, let data speak. By having access to your data, we can analyze the full funnel and tailor our suggestions to help you reach your target audience. We will go deep in the customer journey, analyzing the process from traffic sources to the referral experience of your website.

## WHAT DO YOU GET?

We will make sure you have proper tracking system that allows you to collect data and get to know better your users, their behavior, and their preferences. We will focus not only on providing you with ideas to convert users into customers, but also how to get more money from every one of them.

## COSTS

€ 5.000
